

BAKER'S RULING IS ADOPTED

Squatters Will Be Ousted from Land of Carter Lake Park.

TO INVESTIGATE VENNOR & CO.

An Attempt May Be Made to Recover from the Firm that Writes Letters Against Credit of Omaha.

City Corporation Counsel Baker's ruling that the assessments made by the Water board against property supposed to be benefited by the extension of water mains, in which he held that such assessments were made under a statute that is in violation of the constitution, was adopted by the city commission and the Water board will be notified to that effect.

City Commissioner Hummel secured the passage of a resolution instructing the city attorney to institute court proceedings against squatters on Levi Carter park land.

A resolution was passed by unanimous vote recommending to the county commissioners that a license be not granted to operate a saloon in East Omaha on city park property.

The financial report of the Water board was referred to the committee of the whole for discussion.

City Attorney Rine was instructed to investigate the liability of C. H. Vennor & Co., who have been sending out circulars questioning the credit of the city. An attempt will be made to recover from the company.

Health Commissioner R. W. Connell was appointed a special delegate from this city to the conservation congress at Lincoln.

A resolution was passed regretting that former City Engineer George Craig had found it advisable to go to Calgary, Canada, and wishing him success.

Low bid for an automobile for the health department, requested by Health Commissioner Connell, was accepted by a vote of 4 to 3. Hummel, McGovern and Butler voting in the negative.

Bids were received for 5,000 feet of fire hose.

Kountze Bros. of New York were successful bidders for the following Omaha bonds: Intersection, \$100,000; sewer, \$100,000; fire engine house, \$100,000; street improvement, \$50,000.

Holdup Man Caught at Council Bluffs

Carl English, a German hailing from Canada, was strong-armed and robbed of \$5 by two youthful bandits near the city jail Monday night. Joe Coffman and Arthur Brown, both of South Omaha, were arrested in Council Bluffs this morning by Detectives Sullivan and Lahey. English identified the two men.

English has been working in the lumber camps in the far north and arrived in Omaha Monday.

At Ninth and Dodge two men stepped out from the shadow of a building and knocked him down. While one pinioned his arms behind his back, the other relieved him of his roll.

The money was Canadian currency. English also had a few German coins in his pocket. When arrested Coffman and Brown had part of the Canadian money on their persons and the German pieces. Most of the money had been changed into United States currency.

BANKERS TO HELP LAND OWNERS SECURE MILK COWS

Bankers in the towns of the sandhill section of Nebraska, according to D. Clem Deaver of the Burlington's land department, are taking steps to push the dairy interests of that part of the state by assisting the owners of deeded lands in purchasing cows.

Through Cherry, McPherson, Grant, Hooker, Thomas and several of the other sandhill counties a large number of the settlers have proved up on their lands. In the majority of cases these settlers have sufficient money to continue in the stock business in a limited way, but not enough to branch out. To aid them the banks in most of the towns have agreed to loan as high as \$1,000 on a cash and carry basis, provided the owner will invest the money in cows, giving a mortgage on the animals as additional security. This mortgage draws the same rate of interest as that on the land and is payable on the same dates. Mr. Deaver says many of the homesteaders are taking advantage of the offer.

JUSTICE OF PEACE IS SUED FOR ALLEGED OVERCHARGE

Charging that Justice of the Peace George S. Collins of South Omaha, charged him \$1.25 for a transcript when the proper fee was only 50 cents, Edward D. Liberti has started suit in district court to collect \$50 from the justice.

Liberti sued one William Anderson on a small claim in Collins' court and lost. He appealed to the district court and ordered a transcript of the justice court proceedings. He alleged the law provides that the fee for a transcript shall be not more than 1 cent for every ten words. In this transcript there were only 357 words and the \$1.25 fee was excessive. He says the law provides that when a justice of the peace takes an illegal fee he shall pay the plaintiff of the overcharge \$50.

Swimming Meeting Postponed—The swimming meeting that was scheduled for this evening at the Young Men's

Association, and at which several men from Fort Crook were to compete, has been indefinitely postponed on account of the possibility of the soldiers leaving at any time for the Mexican border.

Many Canadian Land Seekers—The Great Western has lined up a special train of twenty-five cars, all loaded with Canadian land seekers. It will leave Omaha March 1, and it is expected that there will be about 500 in the party. Nebraska will send something like 100 and the others will be from Missouri, Kansas and Iowa.

Sues for Injury in Auto—Mrs. Mary E. Overall has sued the Omaha Concrete Stone company and Norris & Norris, ready dealers and builders, for \$10,000 damages for personal injuries, sustained when an automobile in which she was riding ran into a pile of crushed stone lying in Thirtieth street between Blumey and West streets. It is alleged the defendants carelessly left the stone in the street. The accident occurred November 14. Dr. L. E. Britt, Mrs. Overall's son-in-law, who was injured in the same accident, sued the same defendants for personal injury damages a few days ago.

Club Lecture Postponed—Illustrations for the lecture before the Omaha A. C. club did not arrive in Omaha in time for the weekly meeting and the session was turned over to the members for random talk. Arrangements are being made for the next meeting of the club, which probably will be held in the evening. The club postponed action on the endorsement or nonendorsement of the new union station project being promoted by the realtors of Omaha.

Makes Your Hair Soft and Fluffy

"Most shampoo mixtures," says Mrs. Mae Martin, in the Philadelphia Times, rob the scalp of all oily secretion, leaving it dry and harsh, and the hair grows brittle and is hard to manage. This causes dandruff, falling hair and premature greyness, ageing a woman ten years.

A reliable shampoo mixture can be made at home by dissolving a teaspoonful of caustic soda in a teacup of hot water. Pour this on the scalp and rub well, then rinse carefully, and you will find the hair soft and glossy and puts the scalp in a healthy condition. Shampooing with this mixture is a delight and costs but a trifle, but you should be careful to get an ordinary package of caustic soda.—Advertisement.

At the Theaters

ATTRACTIONS IN OMAHA.

Boyd: "Green Stockings." Empress: Vaudeville. Marvin: Models and the Widow. Hippodrome: Vaudeville. Orpheum: Vaudeville. Palace: Vaudeville. Matinee at the Empress, Gayety, Hippodrome, Krug and Orpheum theaters.

Vaudeville at the Empress.

The bill at the Empress this week is headed by Melbourne McDowell and company in "The Sheriff and the Widow," a western sketch with plenty of breezy dialogue and much action. It is wholesome and funny. Melbourne McDowell plays the part of the sheriff and entertains a great deal. Isabelle Evanson enacts the role of the widow, giving the interpretation several keen touches. Davis and Allen in a singing and dancing act open the program. They amuse. Mabel Harper is seen in a funny talking act in which she gets off several new jokes. Marvin's Models appeal to the artistic sense. The setting for this act takes rank among the best seen at the Empress. Ten famous paintings are represented. The motion pictures are shown on two interesting reels.

Promises of the Press Agent.

There is no question about the brilliant outcome of the engagement of E. H. Sothern and Julia Marlowe at the Brandeis theater on Thursday, Friday and Saturday. The visit of these popular stars always takes on the aspect of a Shakespearean festival, and old and young, with it, would seem, a preponderance of the latter, crowd the theater. An indication of the remarkable popularity of these excellent players is shown by a contract which they have already signed for two consecutive weeks in New York next season at the Manhattan opera house, where they last autumn played a five weeks' engagement, which they discovered at the end was all too brief. For next season Mr. Sothern and Miss Marlowe are already announcing as probable additions to their repertoire "Measure for Measure" and "Othello." The repertoire arranged for Omaha is as follows: Thursday evening, "Much Ado About Nothing"; Friday evening, "Macbeth"; Saturday matinee, "As You Like It"; and Saturday evening, "Twelfth Night."

Vivian Ford, the attractive little girl with "The Top o' the World Dancers" at the Orpheum this week, who plays the part of the Doll Princess, has not yet outgrown her fondness for dolls. Although she is 15 years old, she is very childish in appearance and manner and says she does not realize that she is almost grown up. At home she has a large collection of dolls—from Paris, Germany, London, India, Japan and even one from Alaska.

"While I am in Omaha I want to buy a doll typical of the place," said Vivian. "Do you think I ought to have an Indian or an Ak-Sar-Ben doll? I have already searched through the stores, but have not decided which one I am going to buy."

Not long ago, when Vivian was in Chicago, she took a chance on a hundred-dollar doll which was being raffled at a church fair and her ticket was the lucky one. The doll was beautifully dressed in pink silk and real lace. But a poor little girl, who had also taken a chance, was so disappointed because she did not draw the doll that Vivian parted with her newly won treasure. "But it almost broke my heart," said the dainty little dancer.

The children's reception held on the Hippodrome stage Saturday was such a success that the management has decided to give another one next Saturday, when the youngsters will be allowed to go on the stage and examine Swain's Cockatoos at their leisure. Mr. Swain will explain their habits to the children, and also the method of training them to their present wonderful proficiency. This will be a great opportunity for students who are interested in birds.

Miss Lang is doing a charming piece of acting this week as Celia Farraday in "Green Stockings." The comedy is the sort for which she has a natural bent, and the result is most delightful. The next matinee is on Wednesday.

Boosters for votes for women can witness the different periods, past, present and future, by attendance at the Gayety this week, where Bob Swain's "Crackerjacks" in an entirely new entertainment are delighting everybody beyond all expectation. In this number girls of the colonial period are shown, then the classy girls of today, and lastly a flock of suffragists. Back of all is displayed a tableau depicting what will happen to men when woman is permitted to vote. It is received with peal after peal of laughter.

Jess Willard, the only fighter who has ever had the better of a fight against a woman, is appearing at the Krug this evening, doing a four-round bout with Charley Cutler. He will appear in connection with "The Girls from Joyland" show, which is headed by Harry Cooper, poet of burlesque comedians.

Troops at Local Forts Ordered to Be Ready to Move

General Frederick A. Smith, commander of the Fifth brigade, has received a repetition of a former order to hold his troops in readiness to be moved at any time in case the necessity of moving troops to the Mexican border should arise.

The order was sent to Fort Crook, where it was announced the troops could be ready within three or four hours if necessary. There was nothing in the order to indicate anything more critical than has existed for some time, as the order was said to be simply a repetition of former orders received here since the Mexican situation has taken the latest turn.

I Will Stake This Medicine Against Your Time

A Few Days Will be Sufficient to Prove You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 9047 Deagan Building, Chicago, Ill. You promise me nothing; you pay me nothing for it. All I ask so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this, and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes a day for a few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair minded afflicted person

These Are the Symptoms

1—Pain in the back.
2—Too frequent desire to urinate.
3—Burning or obstruction of urine.
4—Pain or soreness in the bladder.
5—Gas or pain in the stomach.
6—General debility, weakness, dizziness.
7—Pain or soreness under right rib.
8—Swelling in any part of the body.
9—Constipation or liver trouble.
10—Palpitation or pain under the heart.
11—Pain in the hip joint.
12—Pain in the neck or head.
13—Pain or soreness in the kidneys.
14—Pain or swelling of the joints.
15—Pain or swelling of the muscles.
16—Pain and soreness in the nerves.
17—Pain and soreness in the bladder.
18—Acute or chronic rheumatism.

who wants to know is if a certain thing will cure HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of diagnosis and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to be cured and you will be.

A little want ad does the business.

DR. T. FRANK LYNOTT who will send medicine to anyone free of charge.
